

Mobile Phone and Electronic Devices Policy

This policy reflects the importance the school places on students displaying courtesy, consideration and respect for others whenever they are using personal technology devices.

Personal Technology Device Etiquette

Bringing personal technology devices to school is not encouraged by the school because of the potential for theft and general distraction and/or disruption associated with them. However, if they are brought to school, they must be turned off and out of sight at all times.

Confiscation

Students who fail to comply with this policy will be required to hand their phone or device in to Student Services. By the third occasion of each term we would ask that a parent/caregiver collect the item. A fourth breach may result in a school disciplinary absence.

Devices potentially containing evidence of criminal offences may be reported to the police. In such cases police may take possession of such devices for investigation purposes and students and parents will be advised to contact Queensland Police Service (QPS) directly.
