

Important Pre-requisites for Senior Subjects

Students who are planning to engage in tertiary study on completion of Year 12 must choose five “Authority” subjects in order to be OP eligible. Students not achieving a C in a Year 10 subject may find the related Authority subjects in Years 11 and 12 difficult.

In order to ensure students are successful in Years 11 and 12, subject prerequisites must be met in order to enrol in Authority subjects. The subject prerequisites for the current Year 10 students are listed below. There are no prerequisites for Authority-registered (non-OP) or vocational education and training subjects.

Accounting	C in Year 10 English
Ag Science	C in Year 10 Science, Maths and English
Ancient History	C in Year 10 English and History
BCT	C in Year 10 English
