

# HOSPITALITY COURSES

## 2017 School Year

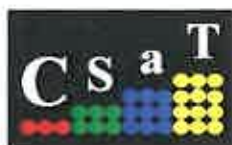

### Would you like to gain SIT20316 Certificate II in Hospitality after school?

The course has been put together particularly for OP Students (although other non-OP students are welcome to attend) to give them life and work skills they can use after school in the area of hospitality. It has been designed so students do not have to take time off their school studies. The elective units chosen such as responsible service of alcohol, responsible gambling services, prepare and serve expresso coffee and provide first aid are all relevant units to assist students to find full or part-time work.

This qualification is offered under the VETIS funding. This means if you have not used this funding for other courses while you have been at school it may be free. However; a deposit of \$150 will need to be paid which will be refunded once the course is satisfactorily completed.

Theory is available online but students will need to come to our training rooms at 160 Denison Street after school on some Mondays for practical training. This will be from 3.30 until 6.30 pm as required.

If you are interested, please contact us via email at [admin@csat.com.au](mailto:admin@csat.com.au) for an enrolment form and to check if you are eligible for funding.
