Preventing Child Abuse & Neglect (inc. Mandatory Reporting) -
Fri 30 Aug & Sat 31 Aug

DO YOU WORK OR VOLUNTEER WITH CHILDREN?

Preventing Child Abuse and Neglect (including Mandatory Reporting)

Workshop - 3 hours

Children are safest when all the adults around them understand how to play a part in preventing abuse.

- Do you understand your roles and responsibilities in preventing child abuse and neglect?
- Are you confident about your legal requirements to report abuse?
- How would you respond to a disclosure, or help a child or family at risk?
- Can you identify early signs or risk factors?
- Are you aware of the little things that you can do every day to help protect children?

Creating Child Safe Organisations Workshop - 4 hours

Organisations play a key role in keeping children safe and helping them thrive.

- Is everyone in your organisation putting the needs of children first?
- Are you confident that you are meeting all your state and federal requirements for becoming a child safe organisation?
- Are you familiar with the National Standards for Child Safe Organisations and what they mean for you?
- Could you do more to engage parents and children in your work?
- Do you have child-centred policies and procedures in place to keep children safe e.g. codes of conduct, recruitment and complaints?

Help children to thrive by ensuring you're confident in answering the above questions. Attend NAPCAN's FREE workshops.
