

Got a plan for after school with work and study?

Leaving school after completing Year 12 can be both exciting and scary. There are many opportunities for study, work and training, but it can be confusing to work out what you want to do and how to make it happen.

Link and Launch is a FREE program that is here to help you start, stay on track, get support and see results for a successful post-school transition.

Your local Link and Launch Coordinator, Debbie Heron, can assist you to navigate a range of Further Education, Training and Work options, in line with your individual goals, aspirations, skills and strengths. You may only need a resume or some advice to prepare for an interview. There is no obligation – **you** decide what type of help you need.

Want some help?

The new Link and Launch program can help you find out what's available and how to get there. Through Link and Launch, we can help you weigh up your options and work with you until you are successfully linked to your future pathway.

You can contact Debbie **on 0448 332 143** or email **dhero18@eq.edu.au** to make an appointment and get started.

Who can attend?

Most recent Year 12 completers, looking for assistance to enrol in further study or training, or who can't find a job, are eligible to join the program.

How can you connect with Link and Launch?
